Message from Director's Desk

Prof. Yamini Karmarkar

For over three decades, the International Institute of Professional Studies (IIPS), Devi Ahilya Vishwavidyalaya, has been committed to preparing future-ready professionals through academic excellence, innovation, and industry-oriented learning. At IIPS, we strive to create an environment that fosters intellectual growth, practical exposure, leadership, and ethical values.

Committed to preparing future-ready professionals through academic excellence, innovation, and industry-oriented learning. At IIPS, we strive to create an environment that fosters intellectual growth, practical exposure, leadership, and ethical values.

Through a blend of rigorous academics, industry engagement, internships, research initiatives, and co-curricular activities, we prepare students to excel in an ever-evolving professional landscape. The achievements of our students and alumni reflect the collective efforts of our faculty, staff, industry partners, and stakeholders. As we continue our journey of excellence, we remain dedicated to empowering young minds to become responsible leaders, innovators, and contributors to society.

"At IIPS, we don't just prepare students for careers; we prepare them to lead, innovate, and create lasting impact."

From the desk of Training and Placement Incharge

Prof. Surendra Malviya

At IIPS, we are committed to nurturing professionals equipped with the knowledge, skills, and adaptability required to excel in today's dynamic business environment. Through academic rigor, industry engagement, internships, live projects, and skill-development initiatives, we ensure that our students are well-prepared to contribute effectively from the very beginning of their professional careers.

Our Placement Cell serves as a vital bridge between academia and industry, facilitating meaningful opportunities for students while fostering long-term partnerships with organizations. It plays a pivotal role in connecting talented students with leading recruiters and creating pathways for professional growth. The achievements of our students reflect their dedication, the guidance of our faculty, and the support of the institution. These accomplishments stand as a testament to the quality of education and holistic development that IIPS strives to provide.

We sincerely thank our recruiting partners for their continued trust and association with IIPS. We look forward to strengthening these valued relationships and working together to create greater opportunities for future talent.
