About IIPS

The International Institute of Professional Studies, a department of Devi Ahilya Vishwavidyalaya was established in the year 1992. It is an institute with both management and technical courses with a state of the art infrastructure and splendid facilities. A large number of renowned professors and dedicated non-teaching staff serves as a strong pillar for the institute.

IIPS offered following programs for the session 2024-2025 :-

- B.Com.(3 Yrs.)/B.Com.(Hons.)(4 Yrs.)
- M.Tech. (IT) 5 Yrs.
- MCA 5 Yrs.
- MBA(MS) 5 Yrs.
- MBA (Management Science) 2 Yrs.
- MBA (APR) 2 Yrs.
- MBA (Entrepreneurship) 2 Yrs.
- Ph.D. in Computer Science
- Ph.D. in Management

Message from Director

Prof. Yamini Karmarkar Director (IIPS)

International Institute of Professional Studies, DAVV has been progressing at a highly appreciable pace. Many notable achievements have been recorded in the area of student development and welfare. Having a dynamic placement cell is one of them. All this has been possible with the dedicated and strenuous efforts of the training and placement officers, hard work of experienced faculties and whole-hearted co-operation of the students, which exhibits an assurance of sustainable competitive edge of the placement cell in coming time ahead while converting the dreams of students into reality and with flying colors.

I pray for future growth and prosperity of the institute and wish all as team the success in the years to come. Signing off with a quotation “If you want to go fast, walk alone, if you want to go far, walk together”

Message From Faculty Incharge Placement

DR. NITIN NAGAR

MCA / MTECH

At IIPS DAVV, we focus on making students not just academically qualified but industry-ready. Alongside academics, we conduct regular employability enhancement activities like group discussions, interview prep, aptitude training, and technical skill-building, guided by recruiter feedback and expert interaction.

DR. SURENDRA MALVIYA

MANAGEMENT SCIENCE

It is with great pride that we present the graduating batches of our MBA-MS (5-Year Integrated) and MBA (2-Year) programs at the International Institute of Professional Studies (IIPS), Devi Ahilya Vishwavidyalaya. These programs are in high demand for their industry-focused curriculum, dual/core structure, and emphasis on practical learning.

Through a rigorous selection process and comprehensive academic training—including internships and industrial exposure—our students have developed the skills, confidence, and adaptability required to thrive in today's dynamic business environment.

DR. GOURAV PUROHIT

MBA TOURISM

MBA Tourism is one of the most rigorous experiments in the country in recent times to serve the managerial talent in the rapidly emerging field of tourism driven business insights and solutions. My sessions in MBA tourism were a rewarding experience for me. The students were able to provide rich perspectives with in depth analysis to the business problems.

DR. ANSHU BHATI

ADVERTISMENT AND PUBLIC RELATION

At the International Institute of Professional Studies, we take great pride in nurturing future leaders through our MBA (Advertising and Public Relations). This program blends academic excellence with real-world learning, keeping pace with the evolving needs of the industry. Our students gain hands-on experience through field visits, live projects, and industry interactions, developing essential skills like problem-solving, teamwork, and adaptability. This program has become a catalyst for transformation, helping students seamlessly integrate managerial acumen with creative innovation. And none of this would be possible without the dedication of our placement cell, which plays a crucial role in mentoring and preparing our students for successful careers. Together, we are not just launching careers—we are shaping the future of Advertising and Public Relations.

Placement Cell

The Training and Placement Cell of IIPS DAVV is established with the vision to prepare the students and make them industry ready with equal opportunity to all through intensive and innovative training methodologies.

The aim of the Training and Placement Cell is to train the students, upgrade their soft skills and technical skills in the core thrust areas so that they will equip themselves and become globally competitive. The primary objective is to have campus placement and focus on strong interaction between Institute, Industry, Students and Faculty to share the potential knowledge and innovative ideas of recent developments.

Our enthusiastic team strives for effectively striking a match between recruiter expectations and student aspirations. The Training and Placement Officers, and the student coordinators handle various crucial tasks involved during the placement processes. The Placement Cell is a team of student representatives that consists of the final year students supervising the activities as head coordinators, the students of 9th semester and 7th semester of the integrated courses and 3rd semester of 2 year courses who serve as coordinators, and the students of 5th semester who works as volunteers for the placement cell.

IIPS Achievers

Sahil Ali, from the M.Tech 2023 batch, achieved an extraordinary milestone by securing a placement at a prestigious **Netherlands-based company**, earning the highest-ever package at DAVV — a remarkable **₹1.13 crore** per annum.

SAHIL ALI

M.TECH 2K23

Kashish Ahuja, a talented student of the M.Tech 2024 batch, was offered a position at global tech giant **Google**. Her impressive placement came with a lucrative package of **₹56 LPA**, showcasing her excellence and potential.

KASHISH AHUJA

M.TECH 2K24

Aditya Bansal, currently in the M.Tech 2025 batch, grabbed an outstanding opportunity at Elon Musk's AI venture, **X.ai**. His placement package of **₹72 LPA** reflects his exceptional skills and the institute's academic strength.

ADITYA BANSAL

M.TECH 2K25

Samyak Jain, currently in MBA 2025 batch, grabbed placement from **Arcesium** with an offer of **20.25LPA**, highlighting his proficiency in financial management.

इंदौर : आईआईपीएस के छात्र को पहली बार 1.13 करोड़ रुपए का जॉब पैकेज

इंदौर | देवी अहिल्या यूनिवर्सिटी के आईआईपीएस (इंटरनेशनल इंस्टीट्यूट ऑफ प्रोफेशनल स्टडीज) के छात्र शाहिल अली को 1 करोड़ 13 लाख रु. सालाना पैकेज पर जॉब मिला है। 1964 में स्थापित हुई यूनिवर्सिटी में यह अब तक का सबसे बड़ा पैकेज है। इससे पहले अधिकतम पैकेज 56 लाख रुपए था। एमटेक (इंटीग्रेटेड प्रोग्राम) के छात्र शाहिल को नीदरलैंड की मल्टीनेशनल कंपनी ने यह पैकेज दिया है। वे एक फरवरी को ज्वाइन करेंगे।

DAVV graduate lands Rs 72 lakh package at X

Our staff reporter • **Aditya Bansal**, a student of the MTech (AI) programme at the International Institute of Professional Studies (IIPS), DAVV, has secured a prestigious placement at X.ai with an impressive annual package of Rs 72 LPA. This remarkable achievement highlights IIPS's strong industry connections and commitment to preparing students for top-tier job opportunities.

Aditya Bansal, who has always been passionate about artificial intelligence, shared his journey of working on AI long before it gained mainstream popularity. "Before AI was widely introduced, I had already started working on it. I have always loved developing AI models," he said. His extensive experience includes internships with major AI companies where he contributed to building advanced AI models. Now, he will be working on Grok, X.ai's AI-powered chatbot.

Training and support from Placement Cell

The Centralised Placement Cell (CPC) at IIPS has played a significant role in ensuring students receive the best training and opportunities. The CPC was established in 2021 and since then, the institute has witnessed numerous high-value placements. With the leadership of CPC head Dr. Gopinath Maheshwari and head coordinator Dr. Nitin Nagar, the placement cell has developed a structured approach to train students for top job opportunities.

Dr. Nitin Nagar highlighted the rigorous preparation process students undergo before placements. "Despite the downturn in the IT job market, our students have secured major opportunities. We focus on training them thoroughly before they face real interviews," he stated.

Placement training includes

- Expert Grooming Sessions
- Special classes to enhance communication, technical, and interview skills

Industry Interaction: Sessions with experts from the industry to understand real-world expectations post-placement.

Alumni Mentorship: Guidance from previous students who have secured top placements to help current students prepare.

Mock Interviews: Realistic interview simulations to provide students with ground-level experience of the hiring process.

Other Notable Placements

Apart from M.Tech, the engineering department at IIPS is also witnessing excellent placements, with some students securing packages exceeding Rs 40 LPA.

Vice-Chancellor Dr. Rakesh Singhal congratulated the students and motivated them to strive for excellence. This placement success reaffirms IIPS's position as a leading institution for career-driven education in India.

Earlier, in 2024, Kashish Ahuja bagged a Rs 54 LPA offer from Google, while in 2023, Saahil Ali was placed at Adyen with a record Rs 1.13 crore package. These back-to-back achievements reflect IIPS's effective placement training and grooming strategy under CPC leadership. The institute continues to prepare students for global opportunities through expert sessions, alumni guidance and real-time mock interviews.

Achiever | एमटेक स्टूडेंट ने खुद को क्रिकटर मान की तैयारी, डीएवीवी में इस सीजन का अब तक का हाइएस्ट पैकेज पाया

कशिशा को गूगल ने दिया 55 लाख का पैकेज, स्ट्रांग लिंक्डइन प्रोफाइल, इंटरशिप और प्रॉपर इंट्रो से सिलेक्शन हुआ आसान

सिटी रिपोर्टर | **पीवीएस** पब्लिकर मुझे इंजीनियरिंग करना थी। आईआईटी में मैका नहीं मिल पाया तो डीएवीवी के एमटेक में प्रवेश लिया। सेकेंड सेमेस्टर से ही प्लेसमेंट की तैयारी शुरू कर दी। पूर्व में सीनियर (साहिल अली) को नीदरलैंड्स की कंपनी से 1.13 करोड़ का पैकेज मिला था। उनसे लिंक्डइन प्रोफाइल अपडेट रखने और प्रोग्रामिंग पर कमांड रखने के टिप्स लिए। इसी का नतीजा है कि ऑफ कैम्पस के जरिए मेरी गूगल में इंटी हो गई।

यह कहना है आईआईपीएस की स्टूडेंट कशिशा आहुजा का। उन्हें गूगल ने सीट्येवर इंजीनियर की प्रोफाइल के लिए 55 लाख रुपए का पैकेज दिया है।

यह डीएवीवी में इस प्लेसमेंट सीजन का अब तक का सबसे बड़ा पैकेज है। गूगल बनें के लिंक्डइन प्रोफाइल को अपडेट बनाने से तेजी जल्दी रखी। हमारी फ्रीड में डेटा स्ट्रक्चर और एंग्लोच पर अच्छी फकड होना जरूरी है। इंटरव्यू एक-एक पीछे और फॉर्मेट में जुबानी याद कर लिया। ऑनरिंग सिस्टम, सिस्टम एक्सप्लेन एंड डिजाइन पर भी कमांड हासिल की। टीचर्स को हेलप लेने के साथ यूट्यूब से भी पढ़ाई की। इंटरव्यू में टेक्निकल पार्ट भी मजबूत हो गया।

फैक्टरी, यूट्यूब से मदद

कशिशा ने बताया, मैंने तय कर रखा था कि ऑफ कैम्पस से ही प्लेसमेंट पाने है। इसलिए अलग से तेजी जल्दी रखी। हमारी फ्रीड में डेटा स्ट्रक्चर और एंग्लोच पर अच्छी फकड होना जरूरी है। इंटरव्यू एक-एक पीछे और फॉर्मेट में जुबानी याद कर लिया। ऑनरिंग सिस्टम, सिस्टम एक्सप्लेन एंड डिजाइन पर भी कमांड हासिल की। टीचर्स को हेलप लेने के साथ यूट्यूब से भी पढ़ाई की। इंटरव्यू में टेक्निकल पार्ट भी मजबूत हो गया।

DAVV lad bags job with ₹1 crore salary per annum

TIMES NEWS NETWORK

Indore: A Europe-based fintech company has offered a salary package of Rs 1 crore to Indore's Devi Ahilya Vishwavidyalaya (DAVV) university student, Saahil Ali.

"I am in 5th year of BTech/MTech integrated course in information technology and has been offered a salary package of Rs 1 Crore annum by a Europe-based fintech company through off-campus mode," Saahil Ali told TOI, adding that he has his profession profile on LinkedIn, where he received a domestic offer of Rs 46 lakh per annum from a Bangalore-based company before being offered the post of backhand software developer by the Europe-based fintech company.

"I completed Class-XII in PCM stream with 86% marks," Ali said, adding that in 9th semester of his M.Tech from DAVV's IIPS, he received 8/10 CGPA. "My father Adil is an iron trader and my mother Naazmin is a homemaker. My younger brother Asim is presently in Class XII and has planned to complete further studies in information technology," he said.

When asked about Indian students moving abroad for work opportunities, he emphasized that due to the purchasing power parity in India, 'higher salary package' to Indian students by foreign-based companies is not the main reason for accepting offers abroad. "It is the quality of life, medical and other services along with comparatively less competition, openness to explore self and working, which is why Indian talent prefers moving abroad even on receiving the similar salary package here," he said.

Saahil is in 5th year of BTech/MTech integrated course in information technology

Indore's Saahil Ali gets a Whopping 1.13 Crore Package, and No he is NOT from IIT or IIM

Indore's Saahil Ali received a whopping 1.13 crore package. Saahil Ali was a student at Devi Ahilya University and not from any Indian Institute of Technology or Management institute. This was one of the record-breaking packages received by a student. Read about his journey here.
